- To create a new user, click 'Add New'. A username, email address, and password are required. All other fields are optional. You may select to automatically notify the new user by email when their account is created.

### Add New User

Create a brand new user and add it to this site.

Username <i>(required)</i>	<input type="text"/>
E-mail <i>(required)</i>	<input type="text"/>
First Name	<input type="text"/>
Last Name	<input type="text"/>
Website	<input type="text"/>
Password <i>(required)</i>	<input type="password"/>
Repeat Password <i>(required)</i>	<input type="password"/>

Strength indicator *Hint: The password should be at least seven characters long. To make it stronger, use upper and lower case letters, numbers and symbols like ! " ? \$ % ^ & .*

Send Password?  Send this password to the new user by email.

Role Subscriber ▾

[Add New User](#)

- You may edit the user role by selecting 'Edit', but you may not change their username.

### Name

Username	<input type="text" value="Example"/>	<i>Usernames cannot be changed.</i>
Role	Subscriber ▾	
First Name	<input type="text"/>	
Last Name	<input type="text"/>	
Nickname <i>(required)</i>	<input type="text" value="Example"/>	
Display name publicly as	Example ▾	

### Contact Info

E-mail <i>(required)</i>	<input type="text" value="example@apogeedesignsystems.com"/>
Website	<input type="text"/>

5. To change a password, simply type your new password into the 'New Password' fields and click 'Update User'. The strength indicator will rate the security of your password.

New Password	<input type="text"/>	<i>If you would like to change the password type a new one. Otherwise leave this blank.</i>
Repeat New Password	<input type="text"/>	<i>Type your new password again.</i>
	Strength indicator	<i>Hint: The password should be at least seven characters long. To make it stronger, use upper and lower case letters, numbers and symbols like ! " ? \$ % ^ &amp; ).</i>
<input type="button" value="Update User"/>
